

Administrative Procedure 107

AP 107 - ORGANIZATIONAL STRUCTURE

Background

The organizational chart displays reporting and relationship hierarchy that is reflective of the Board's strategic plan.

Procedures

1. The Strategic Plan, as adopted by the Board will provide the vision, mission and priorities for all staff positions.
2. The Director, as Chief Executive Officer, is responsible for the development and functioning of an appropriate organizational structure within the budget guidelines established by the Board.
3. The Division Office staff will be responsive, available and accessible in supporting students and staff in the various phases of the educational endeavours.
