

AP 648 FORM – Application to Teach High Risk Physical Activities

This application is to be submitted to the Director or designate for approval by September 30 of each school year. All anticipated High Risk Activities should be indicated, as outlined in the *Saskatchewan Physical Education Safety Guidelines* document. Contact the Director (or designate) prior to starting any activity not listed in the *Saskatchewan Physical Education Safety Guidelines*.

1. The purposes of this application are:
 - a. to inform the Division of the school's intent to proceed with a High Risk Activity;
 - b. to confirm that the teacher intends to follow the recommendations listed for the High Risk Activity as indicated in the *Saskatchewan Physical Education Safety Guidelines* document;
 - c. to confirm that the teacher has knowledge about and experience with the High Risk Activity.
