RE: First day of school and testing

Dear Light of Christ Catholic Schools Families:

We hope you are doing well and enjoying these last few weeks of summer. This letter is intended to provide you with a brief update.

1. As you may know, on Saturday, August 15, Premier Moe announced that school will now start after the Labour Day Weekend on Tuesday, September 8.
2. Prior to September 8, 2020, Saskatchewan Health Authority recommends that all our staff and students get tested for COVID 19. This will provide a baseline data for when staff and students enter the school. If you choose to get tested, please contact 811 to arrange an appointment.
3. The individual school plans will be available on your school website on August 26, 2020. If you have any questions regarding your school plan, please contact your school directly.

If you have not done so already, please register for the upcoming school year. Registration forms can be found on the LOCCS division website (www.loccsd.ca) and our schools websites. If you have any questions about registration, please contact your school directly.

My hope for you is that you enjoy the last few weeks of summer. Enjoy the moments with your children and we look forward to seeing you soon.

Please keep an eye on our website for the latest updates.

God Bless,

A handwritten signature in blue ink, appearing to read 'Cory Rideout', is positioned below the text 'God Bless,'.

Cory Rideout
Director of Education
