Extra-Curricular Guidelines 2021-2022

*Please note that these guidelines are fluid and are subject to change at anytime

General Guidelines:

- ALL visitors must wear a mask; this includes visiting athletes and coaches
- Individuals who are sick must stay home
- Masks can be removed for on-court competition in high schools but must be worn while off the court (on the benches, in the stands, etc.). Elementary students must wear masks for all indoor activities.
- Officials are required to wear masks, until they have assumed their on-court duties
- Upon arrival, all guests must sign-in at the designated facility
- No canteens or booths shall be in operation at this time
- Any students who identified as close contact must provide proof of full vaccination to continue to participate during isolation time.

Travel:

- When travelling to another community, it falls upon the coach/leader of a specific team to be aware of the local division guidelines that must be followed upon entry. All teams shall adhere to the guidelines that supersede (whether local division guidelines or visiting guidelines).
- When travelling, all coaches must be aware of the local context of Covid-19 in the participating community. If large numbers are present, coaches/leaders must consult with school admin and their respective superintendent before attending the event.
- Masks are required when travelling on a school bus and in division owned vehicles.

Outdoor Activities:

- There are currently no masking requirements when participating in outdoor activities however, when possible, social distancing should be followed.
