Memorandum

To: All Families Requiring Bus Service in 2017-18
From: Trevor Horton, Transportation Manager
Date: June 1, 2017
Re: **An Important Message Regarding School Bus Registration**

The Living Sky School Division Transportation Department will be developing a new transportation database this year as part of a restructuring initiative. **Every student requiring bus service** in the 2017-18 school year will be required to complete a revised application form which is available on our website www.lskysd.ca/Forms or at the front desk at Central Office located at 509 Pioneer Ave., North Battleford. Schools will also have access to the application form. In order to allow time to re-program the system, we urge all students to submit their application **prior to the end of the school year June 30, 2017.**

Students will need to be registered before you can ride the bus in September.

Thank you for your cooperation.

Trevor Horton,
Transportation Manager
