Pre-Kindergarten

LOCCSD Pre-Kindergarten programs support vulnerable children between the ages of 3 and 5, who meet the criteria determined by the Ministry of Education. Contact your school within your community and speak to the administrator or Pre-kindergarten teacher. They can assist you in reviewing this criteria to determine if your child will qualify for the program. (School info is listed on back of this brochure).

Students learning about light and transparency– Holy Family

Family Involvement

Our early learning programs provide a wide range of opportunities for the families to be involved with their children's very first educational experience. Along with our open door policy, families are invited to be involved any time. Monthly family days are in place to encourage families to participate in the program and play alongside their children. This allows parents to be involved in their child's learning, actively engaged in their child's exploration and provides the opportunity for families and the classroom teacher to work together.

Father's Day Event

Community Partners

Light of Christ Catholic School Division takes pride in the collaborative work they do with other agencies in our community. Our Pre-Kindergarten admissions committee includes members from outside agencies including Prairie North Health Region, KidsFirst, and Battleford's Early Childhood Intervention Program. LOCCSD is directly involved with the following local agencies: BECIP, Prairie North Health Region, KidsFirst and Day Care Centers.

Principles of Early Learning

- Children as Competent Learners
- Development of the Whole Child
- Strong, Positive Relationships
- Stimulating Environments
- Holistic Development: Social– Emotional, Physical, Spiritual and Intellectual
